About the cross

This cross is designed to be an evangelistic tool to place in the home or church. It is intended to serve as a means of starting a conversation about the Lord. Jesus himself said: “ I am the Way, the Truth and the Life”. He is also the Son of God and Lord of All.

Artistic Theme

Within the cross is a vine behind the names. The vine gives life to the cross. Our Savior is alive and blossoming from within this vine are 3 copper roses. The roses are placed near the points where spikes were driven through his hands. The great “I AM” is the focal point. This is bronze plated and raised for emphasis.

Description

Made from stainless steel plate, the names are cut and welded to form a simplistic composition that reveals the gospel truth. The edges of each word are highlighted with a bronze color and the surfaces of the words are polished to a reflective finish. The most interesting colors and effects result from different light intensities in the room. The cross is finished with clear laquer. It mounts to any wall by the use of two screws. Weight :5 lbs.
