

Cross of Nails

How the cross is made

This cross is made up of hundreds of nails. Each nail is welded together. Hidden words are formed by nails. Large spikes are placed at the points where the hands and feet of the Saviour were nailed. The piece is powder coated copper penny vein.

Use this cross as a special accent to a youth room or use it as a center piece for a welcome center. Another unique way to use this piece is a ministry of prayer nails. Pray over the nails and then use them to build the cross. This is a great way to personalize a building campaign or other prayer effort.
